LUXE PLANK®
LUXURY FLOORING

Piazza Travertine | Dovetail
A6703/A6403

Naturally inspired. Practically designed.

It starts with a small spark. The colors in a branch of driftwood. The swirling grain of a fruitwood bowl. The texture of 200-year-old barn wood.

That spark of inspiration becomes Luxe Plank®.

Whether you love the elegance of rustic timbers or the polished style of stone tile, you can enjoy stunning natural looks that will stand up to high traffic, high impact and high moisture – choose between quick and easy Luxe Plank with FasTak™ Installation or innovative Luxe Plank with Rigid Core Technology.*

Go ahead – be inspired.

A Flair for the Exotic

Exotic hardwoods are defined by distinctive graining, rich colors and dramatic variations. Armstrong has recreated the bold style of these global treasures in practical, durable Luxe Plank® luxury vinyl flooring.

African acacia. Brazilian tiger wood. Raven-dark sapelli. Our design inspirations span the globe and the color spectrum to bring you a collection of striking diversity and universal beauty.

Inspired by Black & White

Interior design often borrows from the world of fashion with fabulous results. In your home or in your wardrobe, nothing says sophistication like black and white. Make the floor part of the palette with exotic Empire Walnut in bold Raven.

Rustic Elegance

Reminiscent of a time when floors were made by hand, rustic hardwood looks are in vogue once again. Whether part of a rugged country aesthetic or contrasted with sleek, contemporary furnishings, their appeal is undeniable.

Armstrong has translated the charm of vintage, hand-hewn and reclaimed wood floors into versatile Luxe Plank® flooring complete with the characteristic texture of worn grain, saw marks and knots.

Inspired by Instant Character

Don't shy away from rustic floors just because you aren't into the country cabin look. Reclaimed wood looks are at home in any décor. Contrasting a floor like Tioga Timber with spare, elegant furnishings adds instant character to any room.

Timeless Traditions

Warm and welcoming, traditional hardwood looks are always in style. And these richly grained traditional looks created by Armstrong take hardwood style to unexpected places.

Put golden fruitwood or classic oak in the bath, basement or laundry room. The beauty of hardwood is what you'll see, but the waterproof durability of Luxe Plank® flooring will be behind it all.
