Sequoia Hickory

Features

Featuring a popular heavy scrape, this style creates a rustic, time-worn visual that's highly sought for today's homes. Pillowed edges and ends give each plank a more pronounced sculpted effect, which enhances the versatile vintage look. The color palette is rich, offering a wide range of options suitable for traditional or modern settings.

Also available in 3 1/4", 5", 6 3/8" mixed width

- SW536 Sequoia Mixed

This Shaw Epic+ hardwood is warranted that the finish will not peel off or wear through for as long as you own your home.

This product features ScufResist™ PLATINUM - Shaw's extremely wear resistant UV cured polyurethane finish with Aluminum Oxide designed to help resist household scuffing on hardwood floors.

The leader in strong, stable and durable HDF core. Comprised of interlocking wood fibers, our Stabilitek core allows our EPIC Plus hardwoods to expand and contract with the changing seasons.

This hardwood is rated High color and character variation with distinguishable color variation within each box. It is imperative that hardwood planks from various cartons be continually blended during installation to insure optimum appearance.

This Shaw hardwood is approved for installation over water type radiant heated subfloors. Floating installation method only. Direct glue-down is NOT recommended!

This Shaw hardwood meets the GREENGUARD indoor air quality requirements and is GREENGUARD Certified.

This Shaw hardwood is Cradle to Cradle™ Silver Certified.

This Shaw product can be installed above, on or below ground level.

Made in the U.S.A.
